

My Worries, Fears and Concerns

Connor's external worries, fears and concerns	My external worries, fears and concerns
People will judge me (because of my lisp) other people won't want to be my friend - they'll look down on me	
Connor's internal worries, fears and concerns	My internal worries, fears and concerns
I'm concerned I'll never be able to manage this anxiety I worry that I'll never be able to make meaningful connections I worry that I'll always struggle in social situations
