

Issue(s) to work on in the future
(worksheet 14)

What do you still want to work on?

At this point, do you have any ideas how you will do this?

When do you plan to do it (perhaps add in a reminder on your calendar for six months' time)?

Are there any resources that you need to get hold of to help with this?

Are there any things that might get in the way of you working on this, and how might you overcome these?
